

《七年级上册英语阅读理解专项训练28（含答案解析）》

Hello, I'm Harry. I'm a student of Hogwarts School. It's a great castle(城堡). I take the train to school every autumn and then I live and study in the castle with my classmates.

I often get up at half past six and go to the classroom with my friends. Some of our classrooms are under the ground floor(一层). We don't have lessons like English, maths or geography, but we have history. We have four lessons in the morning. Classes start at 8 o'clock. In the afternoon, we have two lessons. My favorite subject is PE. On the left of the castle, there's a school playground. We play games there in PE classes. In the evening, we have dinner in the hall on the ground floor.

After dinner, I like to go to the library in the middle of the castle. There are a lot of books in it. I also do my homework there. I go to bed at nine o'clock. I like my school life very much.
