2024年北京卷 A

The Language Exchange Programme allows students in pairs to communicate in two different languages they wish to share and learn each week. Students record short entries after each partner meeting noting the language skills practised and the topics discussed. Each pair of students meets three times throughout the term with a teacher who decides if the exchange is effective. Students who successfully complete the programme will receive one credit each.

Requirements for completion:

- One welcoming session on the second Friday of the term
- 18 weekly one-hour pair meetings
- Weekly progress reports for all pair meetings
- At least three pair-teacher meetings
- One five-minute final video

Sign up!

The sign-up and registration process is as follows:

- Students sign up and indicate the languages they can share and languages they are interested in learning.
- Based on the information entered by each student, potential pairs are identified.
- Proficiency(熟练)levels are confirmed through coursework or placement tests.
- Once a pair has been determined to be suitable, the students will be contacted individually with a special permission number to register for the programme,

Reminders:

Signing up for the programme does not automatically mean that you will be able to register and participate. Pairs are matched by languages of interest and proficiency levels.
