'She wears a new outfit - well take a photo and send it PRIVATELY to the person who gave it to her - not to everyone!!!

"???????—?????????????????????—????????!!!!"

'She crawls off the mat - we DON'T care!!!! She's 6 months old - BIG DEAL!!!

"????????—????????!!!!????????—????????!!!!"

'Stop and think - if every mother posted all that c**p about their kid - I'm sure you'd get over it pretty quickly.

'We can't wait for you to get back to work - maybe you won't have time to be on Facebook quite so much.'

"?????????????—?????????????????"

After saying they think the offending child is 'gorgeous' and they 'love her', the writer continues - adding that Ms Ruthven is 'pissing a lot of people off'.

'We all thought it might ease off after the first month, but it hasn't', it adds.

However, Jade wants the coward author to know their nasty act has not brought her down. She has also vowed to continue to post photos of her treasured baby.

'No way did I feel self-conscious or consider changing my online activity,' laughs Jade.

"????????????????????"??????

Jade says the attempt to shame and isolate her has 'backfired', as she is 'feeling more loved and supported than ever'.

????????????????????????????????????????????????????????????

'The support I have received from family, friends and even total strangers has blown me away.'
