四级作文范文1：英语在教育中应占怎样的比重？

Recently, a post claiming that "English is officially excluded from the college and high school entrance exams" has been circulating online. In response, the Beijing Education Committee stated that the reform plan for the college and high school entrance exams in Beijing has not been officially issued, and the overall reform plan by the Ministry of Education is also pending. Nevertheless, the debate over the proper emphasis of English in national education has sparked hot discussions among netizens.

In my opinion, English should continue to be a significant part of national education. As the global lingua franca, English plays a vital role in international communication, research, and business. Proficiency in English enables students to access a wealth of global information and resources, fostering their understanding of the world and enhancing their personal development.

However, it is also important to strike a balance between English education and the preservation of local languages and cultures. English should not overshadow other subjects or local languages.

最近，网上流传着一则帖子，声称“英语正式退出高考和中考”。对此，北京市教委表示，北京市高考改革方案尚未正式出台，教育部的整体改革方案也暂未出台。尽管如此，关于英语在国家教育中应占的比重这一话题还是在网民中引发了热烈的讨论。

在我看来，英语应继续作为国家教育的重要部分。作为全球通用语言，英语在国际交流、研究和商业中起着至关重要的作用。英语流利能够让学生接触到丰富的全球信息和资源，增进他们对世界的理解，提升个人发展。

然而，同时也要在英语教育和保护本地语言及文化之间找到平衡。英语不应盖过其他科目或本地语言。

Charity scandals have recently been making headlines, casting a shadow over the entire charitable sector. These scandals involve embezzlement of funds, misrepresentation of donations, and even false claims of helping those in need.

Such acts not only betray the trust of donors but also tarnish the reputation of legitimate charities. People may start to question the sincerity and effectiveness of their contributions, leading to a decrease in donations and a lack of support for charitable causes.

To address this issue, it is crucial for charities to increase transparency and accountability. regular audits, proper oversight, and clear reporting of how funds are used can help rebuild trust. Additionally, donors should also be more vigilant and do their research before contributing to any charity.

四级作文范文7：亚健康

In recent years, the concept of "sub-health" has gained widespread attention. Sub-health refers to a state between good health and illness, characterized by chronic fatigue, lack of vitality, and decreased immunity. This condition has become increasingly prevalent in today's fast-paced society.

The causes of sub-health are multifaceted. The hectic pace of modern life often leads to irregular sleep patterns and unhealthy dietary habits. Additionally, the pressure of work and study can take a toll on individuals' mental health, resulting in stress and anxiety. The lack of exercise and insufficient rest further exacerbate this condition.

To address sub-health, individuals should prioritize healthy living habits. Maintaining a balanced diet, engaging in regular exercise, and getting adequate rest are crucial. Additionally, seeking support from family and friends and practicing stress-management techniques can help alleviate the negative impacts of sub-health.

近年来，“亚健康”这一概念引起了广泛关注。亚健康指的是介于健康与疾病之间的一种状态，特点为长期疲劳、缺乏活力以及免疫力下降。在如今快节奏的社会中，这一状况变得愈发普遍。

亚健康的成因是多方面的。现代生活的忙碌节奏往往导致睡眠不规律、饮食习惯不健康。此外，工作和学习的压力也会对个人心理健康造成影响，导致压力和焦虑。缺乏锻炼和休息不足则进一步加剧了这一状况。

四级作文范文8：快餐

Fast food has become an integral part of modern life, offering convenience and instant gratification. With its quick preparation time and easy accessibility, fast food has become a popular choice for many people, especially those with busy schedules.

However, the convenience of fast food often comes with a price. Many fast food items are high in calories, fat, and sodium, making them unhealthy choices for regular consumption. Additionally, the lack of nutritional value in many fast food meals can lead to health problems over time.

While fast food can be a convenient option on occasion, it is important to maintain a balanced diet that includes a variety of nutritious foods. By choosing healthy options more often, we can enjoy the convenience of fast food without compromising our health.

快餐已经成为现代生活不可或缺的一部分，为人们提供便捷和即时的满足。由于其快速的准备时间和易于获取的特性，快餐成为了许多人的首选，尤其是那些日程繁忙的人。

然而，快餐的便捷往往是有代价的。许多快餐食品高热量、高脂肪和高钠，因此不宜作为日常饮食的常规选择。此外，许多快餐食品缺乏营养价值，长期食用可能导致健康问题。

虽然偶尔享用快餐可以作为一种便捷的选择，但保持均衡的饮食，摄入各种营养丰富的食物至关重要。通过更多地选择健康食品，我们可以在享受快餐带来的便利的同时，不损害自己的健康。

四级作文范文9：应该重视拼写吗？

In today's academic environment, a concerning trend has emerged where many students overlook the importance of spelling in English learning. This negligence can be attributed to several factors.

Firstly, the focus on language proficiency, especially speaking and listening skills, has led to a diminished emphasis on spelling. Many students believe that fluency in communication is the ultimate goal, and thus, spelling errors are often overlooked. Secondly, the widespread use of technology, such as autocorrect and spelling checkers, has further diminished the need for students to pay attention to their spelling.

However, it is crucial to emphasize the importance of accurate spelling in English. Spelling is the foundation of language, and it plays a vital role in communication. Errors in spelling can lead to misunderstandings and even confusion. To address this issue, teachers should incorporate spelling practice into their curriculum and encourage

students to use dictionaries and other resources to improve their spelling skills.

在当今的学术环境中，一个令人担忧的趋势已经出现，那就是许多学生在英语学习中忽视了拼写的重要性。这种疏忽可以归因于几个因素。

首先，对语言能力的关注，尤其是口语和听力技能，导致了对拼写的重视程度降低。许多学生认为交流的流畅性是最终目标，因此，拼写错误往往被忽视。其次，技术的广泛使用，如自动更正和拼写检查器，进一步降低了学生对拼写关注的必要性。

然而，强调英语中准确拼写的重要性是至关重要的。拼写是语言的基础，在交流中起着至关重要的作用。拼写错误可能导致误解甚至混淆。为了解决这个问题，教师应该将拼写练习纳入课程，并鼓励学生使用字典和其他资源来提高他们的拼写技能。

Traveling with a companion is an experience that brings a unique joy and depth to any journey. It not only provides a sense of security but also adds an element of camaraderie and shared discovery.

Firstly, having a travel companion means having someone to rely on. Whether it's navigating an unfamiliar city, overcoming language barriers, or simply sharing the burden of planning, a companion can be a great asset. Their presence often alleviates stress and allows for a more relaxed and enjoyable trip.

Secondly, traveling with a companion enhances the social aspect of the journey. Being able to share stories, experiences, and insights with someone else makes the trip more meaningful. Whether it's laughing together at a silly sight or discussing the historical significance of a landmark, these shared moments create lasting bonds and memories.

其次，结伴旅行增强了旅行的社交方面。能够与他人分享故事、经历和见解，使旅行更加有意义。无论是因为看到一个滑稽的场景而一起大笑，还是讨论一个地标的历史意义，这些共同的时刻都创造了持久的联系和记忆。

总之，结伴旅行是一种有益的体验，它提供了陪伴、支持、共同的记忆和新发现的冒险。

四级作文范文11：Why are prices soaring?

The soaring prices have become a hot button issue in our society. There are several factors contributing to this phenomenon.

Firstly, the increase in production costs, including raw materials and labor expenses, has led to higher prices of goods and services. Secondly, inflation, caused by an excessive money supply, has also played a significant role in driving up prices. Additionally, supply chain disruptions due to factors like COVID-19 have led to shortages of goods, further pushing up prices.

As a result, people are facing difficulties in affordability, especially low-income families. It is essential for the government to implement effective policies to address this issue, such as controlling inflation, improving supply chain efficiency, and providing financial assistance to those in need.

物价飞涨已成为我们社会的一个热点问题。有几个因素导致了这种现象。

首先，生产成本的增加，包括原材料和劳动力费用，导致了商品和服务价格的上涨。其次，由于货币供应过多而导致的通货膨胀，也在推动价格上涨中发挥了重要作用。此外，由于COVID-19等因素导致的供应链中断，也使得商品短缺，进一步推高了价格。

结果，人们面临着难以负担的问题，特别是低收入家庭。政府实施有效政策来解决这一问题至关重要，例如控制通货膨胀、提高供应链效率，以及为有需要的人提供经济援助。

四级作文范文12：生活在21世纪的优缺点

Life in the 21st century comes with its own set of advantages and disadvantages. On the one hand, we have witnessed tremendous progress in technology, which has revolutionized the way we live, work, and communicate. The Internet, for instance, has made information accessible at our fingertips, and social media platforms have connected us with people from all corners of the world.

On the other hand, this digital age has also brought about its share of challenges. The fast-paced lifestyle and the constant exposure to information overload can lead to stress and anxiety. Moreover, the reliance on technology has made us vulnerable to cybersecurity threats and privacy issues.

Another significant aspect of 21st-century life is the environmental crisis. climate change and pollution are posing threats to our planet, and it is becoming increasingly crucial to adopt sustainable practices.

In conclusion, while life in the 21st century offers unprecedented convenience and opportunities, it also comes with its fair share of challenges that we must address collectively.

21世纪的生活有其自身的优点和缺点。一方面，我们见证了科技的巨大进步，这改变了我们的生活方式、工作和沟通方式。例如，互联网使信息变得触手可及，社交媒体平台使我们与世界各地的人建立了联系。

另一方面，这个数字化时代也带来了它自己的挑战。快节奏的生活方式和对信息的过度接触会导致压力和焦虑。此外，对技术的依赖使我们容易受到网络安全威胁和隐私问题的侵害。

21世纪生活的另一个重要方面是环境危机。气候变化和污染对我们的星球构成了威胁，采取可持续实践变得日益重要。

总的来说，虽然21世纪的生活提供了前所未有的便利和机会，但它也带来了它自己的挑战，我们必须共同应对。

四级作文范文13：过度包装

Over-packaging has become a significant issue in our society, especially in the context of consumerism. While packaging serves the purpose of protecting goods during transportation and providing information about the product, excessive packaging can have negative impacts on the environment and society.

Firstly, over-packaging contributes to waste generation. The excessive use of plastic and other non-biodegradable materials takes a toll on our ecosystems. It takes hundreds of years for these materials to decompose, causing pollution to landfills and oceans.

Secondly, over-packaging is also a waste of resources. The materials used for packaging are often derived from trees, oil, and other finite resources. The unnecessary use of these resources not only depletes the Earth's supply but also contributes to the cost of production, which ultimately affects consumers.

To tackle this issue, businesses and consumers need to be more mindful of the packaging they use. Governments should also enforce regulations to limit over-packaging and promote the use of sustainable materials. By doing so, we can reduce the negative impact of over-packaging on the environment and society.

过度包装已成为我们社会中的一个重要问题，尤其是在消费主义的背景下。虽然包装在货物运输过程中的保护和提供产品信息方面起到了作用，但过度包装对环境和 society 会产生负面影响。

首先，过度包装导致了浪费。过度使用塑料和其他不可降解材料对我们的生态系统造成了负担。这些材料需要数百年才能分解，导致垃圾填埋场和海洋污染。

其次，过度包装也是资源的浪费。用于包装的材料通常来源于树木、石油和其他有限资源。这些不必要的使用不仅耗尽了地球的资源供应，还增加了生产成本，最终影响消费者。

为了解决这个问题，企业和消费者都需要更加关注他们使用的包装。政府也应该实施法规来限制过度包装，并推广使用可持续材料。通过这样做，我们可以减少过度包装对环境和 society 的负面影响。

四级作文范文14：博物馆免费向公众开放

In recent times, a heartening trend has emerged with an increasing number of museums offering free admissions to the public. This groundbreaking move seeks to democratize cultural experiences, making them accessible to individuals from all walks of life. Critics argue that such a policy might lead to overcrowding and strain museum resources, but I firmly believe that the advantages far outweigh these potential drawbacks.

Free admissions not only foster a culture of lifelong learning and appreciation for art and history, but they also strengthen social bonds by bringing people together around shared interests. Furthermore, these museums often become magnets for tourists, stimulating local economies and creating job opportunities.

While challenges such as managing visitor flows and securing adequate funding are undeniable, innovative solutions like timed ticketing systems and partnerships with private sponsors can help mitigate these issues. In conclusion, free admissions to museums empower the public with knowledge and enrich our society in immeasurable ways.

近年来，一个令人欣慰的趋势正在兴起，越来越多的博物馆向公众提供免费入场。这一开创性的举措旨在使文化体验民主化，让来自各行各业的人们都能享受到这些资源。虽然有人批评这样的政策可能会导致人满为患，给博物馆资源带来压力，但我坚信其好处远远超过了这些潜在的缺点。

免费入场不仅促进了终身学习和对艺术、历史的欣赏，还通过围绕共同兴趣将人们聚集在一起，加强了社会联系。此外，这些博物馆还经常成为吸引游客的磁石，刺激当地经济并创造就业机会。

虽然管理游客流量和确保充足资金等挑战不可否认，但通过创新解决方案，如分时预约系统和与私人赞助商的合作伙伴关系，可以帮助缓解这些问题。总之，博物馆的免费入场赋予了公众力量，以知识丰富了我们的社会，其影响是不可估量的。

四级作文范文15：对网课的看法

In the digital age, online learning have emerged as a prevalent form of education, reshaping the way we learn. Personally, I hold a favorable stance towards this trend, as it offers unparalleled convenience and flexibility.

Firstly, online learning break geographical barriers, enabling learners from remote areas to access quality education that was once inaccessible. This democratizes knowledge and fosters a more inclusive learning environment. Moreover, with flexible schedules, students can study at their own pace, fitting learning into busy lives or catering to individual learning styles.

Admittedly, online learning lacks the direct interaction and immediate feedback of traditional classrooms. However, advancements in technology, such as live streaming and online forums, are bridging this gap, enhancing engagement and collaboration among students.

In conclusion, while online learning may not be a panacea for all educational needs, they undoubtedly represent a valuable addition to the educational landscape. They empower learners, broaden horizons, and pave the way for a more accessible and flexible future of education.

在数字时代，网课作为一种流行的教育形式应运而生，重塑了我们的学习方式。我个人对这一趋势持积极态度，因为它提供了无与伦比的便利性和灵活性。

首先，网课打破了地域限制，使偏远地区的学习者也能获得曾经难以触及的高质量教育。这促进了知识的民主化，并营造了一个更加包容的学习环境。此外，灵活的时间安排使学生能够按照自己的节奏学习，将学习融入忙碌的生活中，或满足个人的学习风格。

诚然，网课缺乏传统课堂中的直接互动和即时反馈。然而，技术的进步，如直播和在线论坛，正在弥补这一差距，增强了学生之间的互动和合作。

总之，虽然网课可能不是满足所有教育需求的万能药，但它们无疑是教育领域的一个宝贵补充。它们赋予学习者力量，拓宽视野，并为教育铺就了一条更加便捷和灵活的未来之路。

总之，人际关系复杂但富有回报。通过提高我们的沟通、同理心和尊重，我们可以建立更加强健和充实的人际关系。

四级作文范文17：网络的影响

Some people argue that the Internet can enhance the efficiency of learning and working. With a wealth of information readily available and various online tools at our disposal, tasks can be completed more swiftly and effectively. The Internet has revolutionized the way we access knowledge and collaborate with others, making it easier to conduct research and communicate across distances.

Conversely, others believe that the Internet is a double-edged sword, particularly for teenagers. They worry that it can lead to addiction, with young people spending excessive time on social media or gaming, thus neglecting their studies. The allure of the digital world might distract them from focusing on their education and developing important life skills.

In my view, the Internet is an invaluable resource that, when used wisely, can greatly facilitate learning and productivity. It is crucial, however, to cultivate self-discipline and responsible usage habits. Educators and parents should work together to teach teenagers

how to balance online activities with their academic pursuits, ensuring that the benefits of the Internet are maximized without compromising their education.

有些人认为互联网可以提高学习和工作的效率。有了随手可得的大量信息和各种在线工具，任务可以更快、更有效地完成。互联网改变了我们获取知识和与他人协作的方式，使得进行研究和交流更加便捷。

相反，其他人认为互联网是一把双刃剑，特别是对青少年来说。他们担心这可能导致沉迷，年轻人可能会在社交媒体或游戏上花费过多时间，从而忽视了学业。数字世界的诱惑可能会让他们无法专注于教育，发展重要的人生技能。

在我看来，互联网是一个宝贵的资源，如果明智地使用，可以极大地促进学习和生产力。然而，培养自我约束和负责任的使用习惯至关重要。教育者和家长应共同努力，教导青少年如何平衡在线活动与他们的学业追求，确保在不影响教育的前提下，最大化互联网的好处。

四级作文范文18：绿色食品

In recent years, green food has become increasingly popular among consumers. This trend can be observed in both urban and rural areas.

There are several reasons for the popularity of green food. Firstly, green food is grown without the use of chemical fertilizers and pesticides, which makes it healthier and safer to consume. Secondly, as people become more health-conscious, they prefer to choose food that is beneficial for their well-being. Green food meets this requirement. Lastly, the concept of environmental protection has been widely promoted, and green food is considered to be more environmentally friendly.

Considering the current situation, it is likely that green food will have even greater development in the future. People's demand for healthy and safe food will continue to rise, and green food will undoubtedly occupy a larger market share.

近年来，绿色食品在消费者中越来越受欢迎。这一趋势在城市和农村地区都可以观察到。

绿色食品之所以受欢迎，有几个原因。首先，绿色食品是在不使用化学肥料和农药的情况下种植的，这使得它更健康、更安全。其次，随着人们越来越注重健康，他们更愿意选择有益于他们健康的产品。绿色食品满足了这一需求。最后，环保的概念已经被广泛推广，绿色食品被认为更加环保。

考虑到当前的情况，绿色食品在未来可能会有更大的发展空间。人们对健康安全食品的需求将持续上升，绿色食品无疑将占据更大的市场份额。
