

## 《巴西临时政府又一短命部长因录音丑闻下台》

A second minister in Brazil's new government has resigned.

??????????????

Fabiano Silveira was in charge of the ministry tasked with fighting corruption but left after a recording was made public, which seems to show him trying to derail a corruption investigation at the state oil company.

????-??

Last week the planning minister stepped aside after a similar recording was released.

????????????????????????????

Both men were appointed when President Dilma Rousseff was suspended.

????????????????????????????
