

《大熊猫圆仔与妈妈圆圆食物大战》

??????????????

这里有一个发生在母亲节的故事，10个月大的大熊猫圆仔和大熊猫妈妈圆圆开始了一场食物大战。

There is a story on Mother ' s Day, a reunion between two pandas at a zoo.

10-month-old Yuan Zai and its mother Yuan Yuan started a food fight in a Taipei Zoo. It shows that when it comes to food, Mother panda showed no kindness. When given bamboo shoots from the zoo-keeper, the mother clearly wants more for herself though it was her child--holding the upper hand in the first 4 rounds of the fight. In the final round, Yuan Zai the baby again lost out to its mother, and the fight only ended with more food from the zookeeper.

Yuan Zai was born in the Taipei Zoo in July 2013. It is the first time that both pandas are spending Mother's day together.
