七年级上册英语阅读理解专项训练47(含答案解析)

Moving to a new school can be difficult. Here are some tips to help you to fit in (融入).

Take a day to know your school.

You won't fit in at school if you don't know the school well. Ask for a school map. Try to get to know every corner of your new school. A good school handbook can be of great help. But to make it easy, ask the people near you where something is—tell people that you are new when you need help.

Be nice to everyone.

Be nice to everyone, the young or the old, because they might just be your next teacher or friend.

Make friends.

Talk to different people. This is your school now: Take a chance (机会) on being who you weren't at your old school. Join a few clubs or sports teams and make more friends in this way.

Be yourself and be polite.

Don't worry too much about what people think of you. Be true, be yourself, and be nice to everyone. It's often the girl or the boy that you didn't like at your new school that ends up (最终) being your friend after a little while. But then again, stand up for yourself if it's very clear that you should.

Work hard to fit in while still being yourself. The first few weeks are always hard, but you'll soon get used to it.

27. Which of the following is easy to know your new school in a day?

- A. Reading a handbook.
- B. Walking around the school.
- C. Asking people for help.
- D. Looking at a map quickly.

28. The words "stand up for yourself" in paragraph 5 mean "_____".

- A. try to stand up
- B. be not friendly
- C. do things by yourself
- D. do not change your idea

29. What's the best title for the passage?

- A. How to Know a New School
- B. How to Fit in at a New School
- C. How to Be Yourself at School
- D. How to Make Friends at School

答案解析：

27. 根据第二段的内容，作者建议拿一天时间来了解学校，并且提到“ask the people near you where something is—tell people that you are new when you need help.”这表明询问周围的人可以帮助你更快地了解新学校。因此，选项C “Asking

people for help" 是最容易在一天之内了解新学校的方法。

28. "Stand up for yourself" 这个短语的意思是在必要时坚持自己的立场或观点。在文中第五段，这句话是在建议即使在新学校，也要保持自己的个性和原则。因此，选项D "do not change your idea" 最接近这个短语的意思。

29. 整篇文章提供的是关于如何在新学校融入的建议，包括了解学校、对人友好、交朋友、保持自我和努力适应。因此，选项B "How to Fit in at a New School" 最能概括文章的主题，是最佳标题。其他选项虽然也是文章中提到的内容，但不是文章的中心主题。
