

导读:在哥伦比亚一个只有7度的早晨, 6000人裸体聚集在首都波哥大的一个广场上, 庆祝来之不易的和平。

He's well known for convincing huge crowds of people to strip off for his striking photographs.

??

And yesterday Spencer Tunick was at it again after 6,000 people in Colombia braved 7 degree chills to pose nude in Bogota's main public square - all in the name of peace.

?????.????????????6000???7?????????????????????????--??????????

The installation - his largest in six years and his first in Bogota - comes as the government in the conflict-torn country closes in on a peace deal with leftist rebels of the Revolutionary Armed Forces of Colombia.

He had some participants pose at various heights. Some of them almost seemed to be suspended in mid-air.

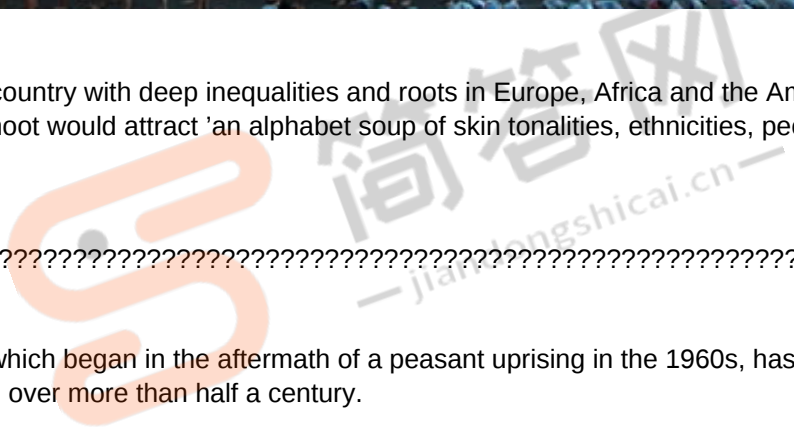

????????????????????????????????

'It's an honour to be here at this moment when life is changing and hopefully a peace agreement will be signed,' he said.

????"????????????????????????????"

Bolívar Square is home to Colombia's congress, city hall, supreme court and a major cathedral.
