《地道美语表达-反应迟钝》

任何一门语言都是丰富多彩的，因为它来源于生活。英文中的slow on the draw就是这样一个片语。draw 在这里指“ 拔出(枪、刀等武器)的动作 ”。历史上，在美国西部的枪手对决中，拔枪速度是影响胜负的关键因素，因此 draw 便用来比喻“ 反应的灵敏度 ”， slow on the draw 的意思便是“ 反应迟钝缓慢 ”。

??

I don’t get the reason why I am slow on the draw sometimes.

(??????????????????)

??????????????????have a cold ????????If you say that someone is slow on the draw, you mean that he or she is not quick to understand something new. ???????????????? be quick on the draw????

We shouldn’t ridicule him, who is a little slow on the draw.

(??????????????????)

??????????????????????????????watch??“??????”?????????????search high and low, ??

I searched high and low for that book, but I couldn‘t find it.

(??????????????????)

high and low ?????“??????????”???????“??”????????????search high and low????“???????”??????“?????????????”? To search high and low is to search something everywhere and in most cases the search is failed.

After I had searched high and low for my glasses, my workmate told me that it was just wearing on my nose.

(?????????????????????????????)

??????????????????????????????(not slow on the draw)??(search high and low)?????????
