

《打车软件试水“一键叫飞机”》

滴滴快的于5月16日、17日两天推出“一键叫飞机”服务。我们距离“打飞的”通勤还有多远？

People who want to have the experience of helicopter hailing through a click can try the service offered by a ride-hailing app operated by taxi-hailing company Didi Kuaidi. Though operating only two routes, the APEC air travel and Beijing-Tianjin route, the company has received bookings from over 10,000 customers in just one day.
