

《experience作为动词，有哪些同义词？》

无论做什么，很多时候你都需要去描述一下你的经历。这样的例子包括在面试中回答问题，谈论和朋友一起度假的事情，或者和家人谈论你未来的计划。如果你发现自己处于这样的情况，同一次经历你可能需要描述几次。但是，没有必要一遍又一遍地使用“experience”这个词。相反，你可以使用下列同义词之一，具体取决于你想说的具体含义。

Experience have several different meanings, and the list below is categorized according to part of speech (verb or noun) and definition.

Experience????????????????(?????)????????

Experience synonyms as a verb

Experience????????

Experience as a verb means to have practical contact with something.

Experience????????????????

1.To be involved in

????

This phrase means to take part in something, and to act in it. You can be involved in a play, an organization, an event, or something else that requires you to dedicate some time, energy, and possibly money into it.

??

Examples

??

Robert is involved in a dance group at his university, and they will perform at the talent show tomorrow night.

??

I don't want my brother to be involved in that group of people.

????????????????????

2.To participate in

??

Similar to being involved with something, to participate in something means to take part in it and contribute time and energy. Often, you can participate in various events, but groups and organizations can be participated in as well.

?be involved in???participate in something??

Examples

??

Sophia participated in the tennis tournament and won first place, bringing the trophy home to her school.

????????????????????????????????

Greg wanted to participate in Woman's March downtown tonight, so he went home early to prepare to go.

????????????????????????????????

3.To be exposed to

??

Another way to experience something is to be exposed to it, or simply observe and have something made known to you. Sometimes, just being able to see something can bring it from a concept and theory to a real thing, and increase your sympathy to it.

??

Examples

??

Max's parents wanted him to be exposed to different styles of living around the world so that he would be able to appreciate the things that he had.

??

Noah decided that being a lawyer was his career goal after he was exposed to the excitement and drama of a courtroom.

????????????????????????????????????

4.To observe

??

One way to gain exposure to something is to observe it, or see it with your own eyes but not participate in it. This type of experience can be useful for a high-risk job, such as a police officer or surgeon, who should not try to get hands-on experience without enough training.

??

Examples

??

The zoology students went to the ornithology exhibit at the local zoo to observe birds in captivity to prepare for their field trip to see wild birds in the forest.

??

??

Another step up from being familiar with something is to understand it – or to know the information you need and be able to explain it to someone else. You may be approaching being an expert on the issue.

????????????????——??

Examples

??

If Theresa understood why the company morale was so low, she would be able to prevent it from getting any worse.

??

Beth was finally able to understand why her parents were always so worried about her when she had her first child.

??

8.To have insight into

?...?????

When you understand something, you may take your understanding up a step and offer your own thoughts and new ideas. Your insights are new ideas what you can contribute.

??

Examples

??

The consultant has some useful insights into how we can increase our earnings this year.

????????????????????????????

It was a good thing that Joe had insight into the market research we did so that we could create a really successful product.

??

9.To encounter

??

To encounter means to meet something or someone.

To encounter ??????????

Examples

??

I have encountered this problem before, so I know how to solve it.

????????????????????????????????

Ed encountered his dream girl on the subway but she walked away before he could say hi.

????????????????????????????????

10.To endure

??

If you endure something, you experience it but often with pain and suffering, whether physical or psychological.

????????????????????????????????

Examples

??

Emma had to endure the grueling hours of her internship last summer, but it all paid off when the company she was interning for offered her a full-time job.

????????????????????????????????

If you can endure the challenges at the beginning, you will be rewarded in the end.

????????????????????????????????

11.To come into contact with

?...???

To come into contact with means to physically or metaphorically see, feel, or take part in something. This usually means that you had just a simple, non-serious interaction with something – not anything serious.

To come into contact with????????????????????????????????

Examples

??

I came into contact with the World Health Organization for the first time when I was in high school, and have wanted to work for them ever since.

????????????????????????????????

Tony came into contact with similar challenges at her previous job, so she is able to explain how we can best combat our current problem.

????????????????????????????????

12.To come across

??????????

Coming across something means to stumble upon it, or see it when you are looking for something else or nothing

in particular.

Come across ???

Examples

??

I was reading the newspaper last night and came across the idea of the ten-thousand-hour rule – have you heard about it?

??——????????

Brianna was browsing through Facebook, hoping to come across news of her ex-boyfriend but she could not find anything.

?????????Facebook??

13.To face

??

To face something – usually a challenge or problem – means to deal with or work to solve something.

?????——?????????????——????????????????????

Examples
