?????????

I've been doing a lot of thinking, and the thing is, I love you.

????????????????

You are the epitome of everything I've ever looked for in another human being.

????????????????

Love is too weak a word for the way I feel. I lurv you. I loave you. I luff you.

??!

There's only one place in the world I call home and it's because you're there.

??

I'd feel better sitting outside your apartment on the curb than any other place I can think of or imagine.

??

I'm not waking up another morning without being able to look at you next to me.

????????????????????????????

Can't you see what I'm trying to tell you, I love you!

????????????????????????????!

I love you...Very much.

???.....???

No other love but you.

??????????

You complete me.

???????????

I think that's the only thing I've ever been really sure of in my entire life.

????????????????????

You are the woman that I want.

???????????????

You have bewitched me, body and soul.

????????????????

Whatever I am... I'm yours.

????????????????

I am so in love with you.

?????????

You're the only one for me.

?????????

I'm not a smart man, but I know what love is.

????????????????

All I ever wanted... was you!

?????????????!

I've loved you more than any woman's ever loved a rabbit.

????????????????

I love you more than anyone has ever loved.

????????????????

I love you more than my life.

?????????????

I want to be with you.

??????????

I made up my mind you were the only woman for me.

????????????????

I've loved you since the first day I met you, and I'll never stop.

????????????????????????????????

I'll love you always. Until your heart stops beating. 'Til the stars turn cold.

????????????????????????????????

I've never felt that before.

??????????????

Because I came alive when I met you.

??????????????

So I will wait forever for you, okay? I will wait the rest of my life.

????????????????????????????

I want all of you, forever, you and me, every day.

????????????????????????????

I love you. I always have. And I always will.

????????????????????????

When you realize you want to spend the rest of your life with somebody, you want the rest of the life to start as soon as possible.

????????????????????????????

You had me at "hello."
