Safety tips when lightning strikes

???????????????

1. Seek shelter inside a large building or a car

1.???????????

2. Get out of wide, open spaces and away from exposed hilltops

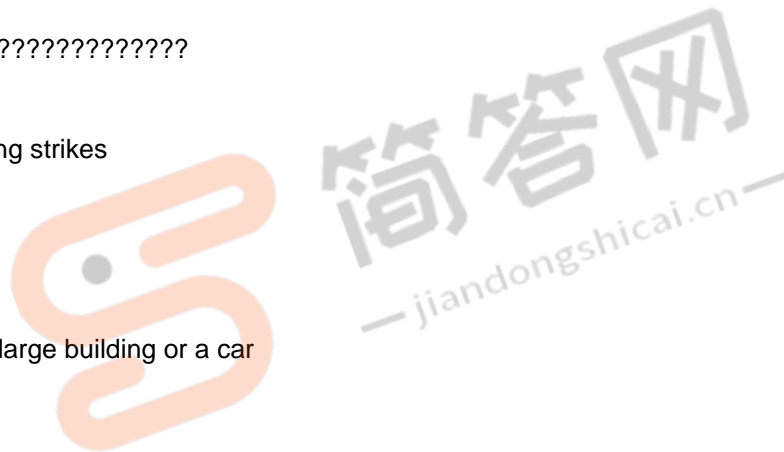

2.???????????????????

3. If you have nowhere to shelter, make yourself as small a target as possible by crouching down with your feet together, hands on knees and head tucked in

3.????????????????????

4. Do not shelter beneath tall or isolated trees

4.???????????????????

5.If you are on water, get to the shore and off wide, open beaches as quickly as possible

5.????????????????????
