### 导读

：纽约当地时间2月7日，性感天后碧昂丝（Beyonce）自从1月初诞下女儿艾薇布鲁卡特（Blue Ivy Carter）后，终于首度公开露面，现身纽约力撑丈夫杰斯（Jay-Z）与管弦乐团合作的慈善音乐会。

The 30-year-old entertainer came out to support hubby Jay-Z at his Carnegie Hall concert, which benefited United Way of New York City and his The Shawn Carter Foundation.

Beyonce showed off her post-baby body in a figure-hugging Alice by Temperley dress with Ofira & Lorraine Schwartz jewelry, an Alexander McQueen clutch, and Christian Louboutin heels.

During the concert, Jay shouted, “One hand in the air for Blue,” before singing “Glory,” the track he released just a few days after baby Blue was born on January 7.

“I didn’t think I was gonna make it through that one, that was tough,” Jay said after performing the number.
