

Three surgical masks with different patterns (pink, blue, and orange) are hanging against a dark background. The masks are arranged side-by-side, slightly overlapping. Each mask has white elastic ear loops and a pleated design. The patterns are colorful and abstract. The background is dark and textured.

[illegible]

#3 Cold weather face mask

????

It can protect you from cold and wind. It is usually made of wind-breaking material like nylon blends. But it doesn't help much in the context of virus.

??

#4 Activated carbon mask

?????

Mask with a charcoal filter cuts out odours effectively making it ideal for general purpose, especially suitable for use across various industries such as engineering, manufacturing, pharmaceutical and many more.
