

《据说单身久了，内心独白会变成这样……》

单身有它的好处。但单身久了，我们也会感到沮丧，那种“剩者为王”的士气会变弱，偶尔还会胡思乱想。鉴于女性更多愁善感，所以本篇的内心独白将主要采用女性视角。

突然不相信这个世界有70亿人……

1. I am more than positive I'll die alone.

??????????????????

2. Wait, I can't tell if he's flirting or just being friendly.

????????????????????

3. Should I text my ex?

??????????????

4. If need be, I'll marry myself.

??????????????????

5. I don't need a man! I am an independent woman!

??????????????????

6. Being single is better!

?????

7. Should I get a Tinder? Who knows - I might actually find the one!

?????????????????—???????

8. How do those two have each other and I have no one?

????????????????????

9. SRSLY, what's wrong with me?

????????????????

10. I'm just waiting for Prince Charming.

????????????

11. When was the last time I kissed someone? I think I forgot how to kiss.

????????????????????????????

12. Netflix always makes my day better.

????????????????
