

《巴基斯坦卡拉奇机场遇袭致26人死亡》

????????????26???

In Pakistan, at least 26 people have been killed following a terrorist attack at Karachi ' s international airport on Sunday night.

Reports say some militants were killed during the exchange of firing with security personnel. At least 17 security personnel were also injured in the attack.

A spokesperson from Pakistan's Prime Minister's office said the militants entered the airport from a terminal used for cargo and special VIP operations. The militants reportedly set two air planes on fire. They also damaged four other aircraft with small arms fire.
