Trump tweeted that the idea was 'crazy,' shortly after Obama's comments surfaced.

????????????????????????????????????????“??”?

Evidence is mounting that hackers aligned with Russia's government were responsible for stealing the DNC's computer files and airing the party's dirty laundry with help from the Wikileaks website.

[illegible]

The public relations damage from messages showing the party trying to sabotage Sen. Bernie Sanders' candidacy has been significant, and led to the resignation on Monday of the party's chairwoman.

????????????????????????????????????????????????????????????

Trump was his usual filter-free self on Twitter, writing: 'In order to try and deflect the horror and stupidity of the Wikileaks disaster, the Dem[ocrat]s said maybe it is Russia dealing with Trump. Crazy!'

????????????????????"????????????????????????????????????????????????????????"

'For the record,' he wrote in a follow-up tweet, 'I have ZERO investments in Russia.'

Obama told NBC that he couldn't say for sure what Putin is up to, but left the door wide open for conspiracy theories.

????NBC????????????????????????????????

'What the motives were in terms of the leaks, all that – I can't say directly,' Obama told NBC News. 'What I do know is that Donald Trump has repeatedly expressed admiration for Vladimir Putin.'

????NBC?????"?????????????--????????????????????"

Hillary Clinton campaign manager Robby Mook claimed Tuesday morning that news reports have established Russians stole Democratic Party documents and emails and 'turned it over to the Wikileaks and other hackers to push out, to harm Secretary Clinton and help Donald Trump.'
