

《教育部回应“毒跑道”事件，称绝不手软》

导读:近日频频被媒体曝光的学校塑胶跑道质量问题引起社会广泛关注。教育部有关负责人22日就相关问题回答了记者提问。

China's Ministry of Education on Wednesday said it had ordered local education authorities to remove all substandard running tracks at schools after children reportedly fell sick from exposure to artificial turf.

In a statement released to the press, the ministry said it had invited environmental protection and quality inspection authorities to check all newly-built synthetic racetracks at schools nationwide during the upcoming summer school break, and immediately remove substandard ones.
