

## 《教育部叫停在建“塑胶跑道”》

近期，学校塑胶跑道质量问题引起社会广泛关注。教育部要求立即叫停在建和拟建的塑胶跑道的继续施工，重新对其招标过程及相关合同进行审查，进一步明确质量与安全要求，在确保施工质量万无一失的基础上方可继续施工。

???????

In a statement released to the press, Ministry of Education said it had invited environmental protection and quality inspection authorities to check all newly-built synthetic racetracks at schools nationwide during the upcoming summer school break, and immediately remove substandard ones.

??

Construction of all synthetic racetracks are to be suspended until the bidding process and the contracts for the construction had been reviewed by authorities to ensure their quality, it said.
