

## 《十有八九用英语怎么说?》

Photo by Mateusz Dach from Pexels

????????????????“????”????????????????????“????”????“????”????????????????????“nine times out of ten”????????????????????(very likely)????????“ten to one”????????“it is very likely that...; very probably”?

???

???????????

Ten to one they'll lose.

??

No one knows for sure how they're going to deal with these sales issues, but ten to one it's the employees who have to suffer the cost.
