英语单词electrification是什么意思?electrification怎么读?electrification怎么发音?简答网为您整理了electrification的解释、用法、例句、词组等相关学习资料。下面跟小编一起来看看吧!

### electrification怎么读

electrification的读音:[lektr f ke n]

### electrification的意思

1、n.充电,电气化;起电;电化;带电;

### electrification的双语例句

1、The electrostatic electrification for metal and grain powders is determined in vibration sieve using Faradi can.

采用静电电荷仪和法拉第筒,测定了两种导电性能完全不同的粉体在机械振动筛中静电起电量的参数.

2、 To achieve full broadband coverage of villages and the new rural electrification counties ( cities ) Full coverage.

实现自然村宽带全覆盖和新农村电气化县 ( 市 ) 全覆盖.

3、 Familiar with railway electrification, contact line system, processes such as mechanics, plastics, founding, forging, molding etc.

熟悉铁路电气化、 接触网系统、 机械、 材料、 铸造、 锻造、 模具等加工过程.

4、 Electrification of the countryside is the premise of agricultural modernization.

农村电气化是农业现代化的前提.

5、 In industrialized country, outside the dweller that divides remote region, realized electrification generally.

在工业化国家中, 除偏远地区的居民外, 普遍实现了电气化.

6、 Rural electrification following the Great Depression made farm windmills obsolete.

1930年代美国经济大萧条之后的农村电气化,淘汰了农场上的风车.

7、 Safety monitoring and comprehensive automatic system for traction substation is the orientation of railway electrification today.

牵引变电所安全监控及综合自动化系统是目前铁路电气化的发展方向.

8、 The resistivity also varies as a function of the length of electrification time.

电阻率还随着充电时间的长度而变化.

9、 Electrification property of toner particles is discussed theoretica 1 ly in information output as electrostahc duplicate, etc.

本文从理论上分析了静电复印等信息输出过程中调色剂粒子的带电特性.

10、 The computation of streaming electrification in turbulent oil pipe flow is studied in this paper.

对紊流条件下输油管道内油流静电带电的计算进行了研究.

11、 This paper discusses the electrification mechanism of dust electrostatic phenomenon and the explosionproof measure of it.

阐述了粉尘静电的起电机理及其防爆措施.

12、 After electrification, it will readily stick to a wall or a ceiling.

起电后, 它立即吸附到墙壁上或天花板上.

13、 Preferable is a working experience in railway electrification field.

铁路电气化产品制造行业经验优先.

14、 He offered a similar analysis of the loan program of the Rural Electrification Program.

他还提供了一项相似的对农村电气化项目的贷款项目的分析.

15、 And current, electrification is to promote railroad implementation to span the key that type develops.

而当前, 电气化是促进铁路实现跨越式发展的要害.

16、 It seems that except for few improvements such as electrification, railway has been neglected.

似乎除了电气化之类的为数不多的改进外, 铁路一直不受重视.

17、 All hype aside, electrification certainly proved to be a good idea.

除了所有的大肆宣传, 电气化的好处无疑已经得到了证明.

18、 The new computational models streaming electrification of oil with laminar and turbulent flow states are presented.

给出了层流和紊流条件下新的管道油流带电计算模型.
