题目：My Weekend

范文：

Last weekend, our class organized a fruit-picking activity at a nearby farm. The farm was vast, with rows of fruit trees neatly planted. The air was filled with the fragrance of ripening fruits, creating a serene and refreshing atmosphere.

During the picking process, we followed the farmer's instructions carefully. We learned how to select ripe fruits and handle them gently to avoid damaging the branches. It was a rewarding experience as we saw the fruits of our labor, quite literally.

Personally, I found the activity both enjoyable and educational. It not only allowed me to appreciate the beauty of nature but also understand the hard work behind the fruits we often take for granted. The trip was a wonderful break from our academic routine, and I returned with a basket full of fruits and a heart full of memories.

上周末，我们班在附近的一个农场组织了一次采摘活动。农场广阔，一排排果树整齐地种植着。空气中弥漫着成熟果实的香气，营造出一个宁静而清新的氛围。

在采摘过程中，我们仔细遵循农场主的指导。我们学习了如何挑选成熟的水果，并且轻柔地处理它们，以避免损伤树枝。看到我们的劳动成果，真是一种回报。

就我个人而言，我觉得这次活动既愉快又有教育意义。它不仅让我欣赏到大自然的美

，还让我了解到我们常常视为理所当然的水果背后的辛勤劳动。这次旅行是我们学术常规的一次美好中断，我带着一篮子水果和满满的回忆回到了家。
