Can you be honest with me for a sec? I really need to talk. Why aren't you answering me?

????????????????????????????????

I feel like I'm fighting for someone that doesn't want to be fought for.

????????????????????

I love you. I just don't think I'm worth it to you.

????????????????????

I have no one to talk to and the only person I want to talk to is you, and I can't.

????????????????????

I have so many questions I wanna ask you but I don't want you to hate me more than you already do.

????????????????????

Listen, I cared, but all I wanted was to be your first.

????????????????????

Hey I know this is completely out of line but you were the best person I have ever been with.

????????????????????

I really hope you are doing well. I know you were always better than me. You did nothing wrong, I'm so sorry for the way I left things.

????????????????????

I will never stop caring about you. That's an eternal promise.

????????????????

I just need to know. I need to know if there is seriously 100% no chance.

????????????????

Why do you keep saying that. It doesn't fix anything.

????????????????

I can't be your friend anymore. I've tried for 6 months now and my love for you hasn't gone away. I can't keep seeing you with other girls or hearing about it without being hurt.

????????6????????????????????????????????????????

You are a beautiful smart funny caring girl. And we've had some amazing times together. We lost it somewhere along the way and I don't think it was your fault or mine.
