

《云南福贡泥石流灾害致17人失踪》

?????????17????

17 people are missing and another injured, after a mudslide in Fugong County in southwest China's Yunnan Province. The disaster occurred at 3 a.m. at Shawa village in the Lisu Autonomous Prefecture of Nujiang.

Rescue efforts are underway. This disaster follows another mudslide last week caused at least 8 deaths at a location 40 kilometers away. We'll bring you more on this as we get more information.
