"This was locker room banter, a private conversation that took place many years ago. Bill Clinton has said far worse to me on the golf course - not even close. I apologize if anyone was offended," Trump said in a statement released by his campaign.

The video, released in a Washington Post story, was recorded while Trump was speaking with TV host Billy Bush of "Access Hollywood" while they were about to tape a segment about a planned cameo appearance by the New York businessman on the soap opera "Days of Our Lives," the Post reported.
