

## 《乔治王子迎周岁生日 乐高积木复制生日宴》

????????? ??????????

*The royal party is set on a classic green Lego board and is childishly simple in its construction.*

*Prince George sits in a high chair, flanked by his parents, birthday presents and cake.*

*The model of Prince George sitting in a high chair and wearing a party hat is made of just 15 Lego bricks. Can you recreate it?*

*The Queen and Prince Philip (and a few corgis) attend Prince George's party.*

*Prince Harry chats to Pippa Middleton at the tea party complete with red, white and blue balloons.*

*Prince Charles and Camilla chat to the Middletons.*

*The in-scale party scene is dwarfed by the Palace.*
