????????????????

“????”????????????????????(be reluctant to move to another place)?????“attached to the land and unwilling to move;be too rooted down to consider moving to another place;be attached to one's native land and unwilling to leave it ; hate to leave a place where one has lived long”?

??(it reflects the Chinese people's simple love for their homeland, relatives, and a peaceful life)?

???? [?n t? zhòng qí?n]??????????

hate to leave a place where one has lived long; be attached to one's native land and unwilling to leave it; be reluctant to move from one's native district; be satisfied to live in one's native land and dislike to remove; be too rooted down to consider moving to another place; dislike transferring the population to a new place; One does not care to migrate from one's native land.

????

1????????????????????????????????????

Traditional agricultural culture in Wangjiang area is characterized by the satisfaction with current situation as well as the intensive cultivation.

2??

Analyzing it from traditional culture standpoint, the cultural tradition of being attached to one's native land builds up this homesick mode and make people unwilling to leave their hometown.
