

????

solidarity and mutual trust

???????????

the Treaty on Long-term Good Neighborliness, Friendship and Cooperation

?????????

an example of mutually beneficial cooperation

?????

1?The six Member States will always carry forward the Shanghai spirit, be of one heart and one mind, cooperate sincerely, and maintain long-term friendship from generation to generation.

?????????"????"????????????????????????????

2?As an important part of building spiritual civilization, Shanghai spirit is an inevitable requirement of social development.

????????????????????????????????????????????

3?Under the guidance of the "Shanghai Spirit", Shanghai Cooperation Organization has created a new mode of regional cooperation through taking "mutual benefit" and "double win" as the aim of cooperation.

????????????????????????????????????????????

4?The "Shanghai spirit" formed in the process of the development, characterized by mutual trust, mutual advantage, equality, joint consultations, respect for cultural diversity and the desire for joint development, has become the essence of SCO.

????????????????????????????????????????????

5?Therefore how to center on the "Shanghai spirit" featured by "shared development" to enhance the regional economic cooperation becomes a pressing task for its member nations.
