

《“闺蜜干政”主角回韩、总统幕僚集体辞职 朴槿惠还能走多远？》

导读：“总统闺蜜”、“邪教头目之女”崔顺实已经回到了韩国，即将接受检方询问，这将会给韩国政坛带来何种影响？

Choi Soon-sil, a long-time friend of Ms Park, is accused of influence peddling and interfering in state affairs.

????????“??”????????????????

Ms Choi is alleged to have been involved in government business, despite having no security clearance.

????????????????????????????

It comes amid protests in Seoul demanding the president's resignation.

????????????????????????????

Police said about 8,000 protesters took to the streets on Saturday after Ms Park said she had ordered 10 of her senior advisers to quit and admitted she had allowed Ms Choi to edit political speeches.

????????10??8000??

Event organisers said some 20,000 people turned out in central Seoul.

????????????????2????????????????????

On Saturday, prosecutors raided the homes of several presidential aides, seizing computers and files belonging to the officials who are suspected of being Ms Choi's accomplices.

??

Ms Choi is the daughter of shadowy religious cult leader Choi Tae-min, who was Ms Park's mentor until his death in 1994.

????????"???"????????????????????????????????????1994????

Ms Choi has denied benefiting financially from her government links.

????????????????????????????????

'Step down, Park Geun-hye'

"????????"

Protesters on the streets of Seoul held posters reading "Step down, Park Geun-hye".

????????????????"????????"??????

She has been accused by opposition politician Jae-myung Lee of having "lost her authority as president".

????????????????????"????????"?

"She doesn't have the basic qualities to govern a country," he was quoted as saying by the Associated Press news agency.

????????????"????????????????????"

Ms Park's televised apology over the scandal last week failed to defuse the situation, only sparking widespread

accusations of mismanagement.

??

The scandal has resulted in calls for her resignation from opposition parties and badly eroded her popularity before next year's elections.

??

Ms Park, 64, became the first woman to lead South Korea after winning presidential elections in 2012.
