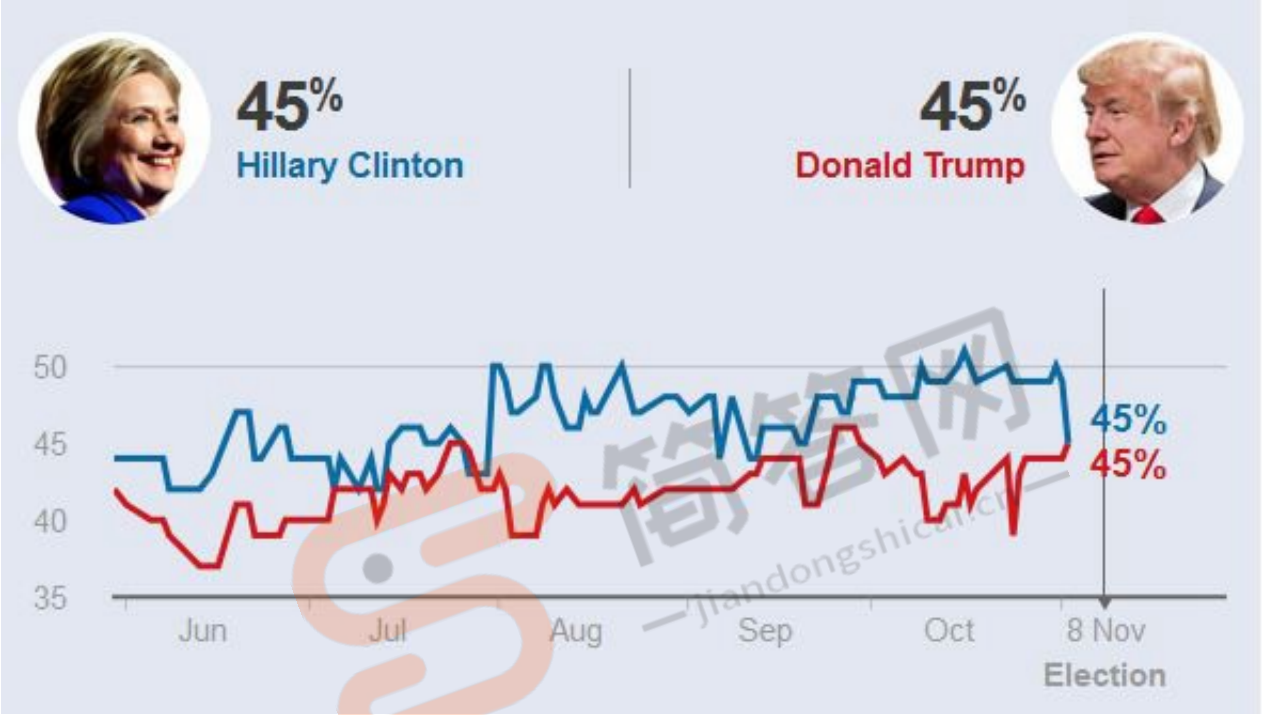
《美国大选：川普支持率大涨 与希拉里赢面五五开！》

导读:美国大选即将举行，川普和希拉里你来我往的攻击已经涉及政治、经济、以及身体健康的各个方面，各种手段层出不穷，而据最新的民调显示，深受“ 邮件门 ”影响的希拉里胜率已经被川普赶上，双方即将决一死战，但鹿死谁手还尚未可知。



Mrs Clinton - who has seen her national opinion poll lead shrink in recent days - targeted her Republican rival’s temperament and attitude to women.

??

Mr Trump claimed she would be followed into the White House by criminal investigations.

????????????????????????????????

He was boosted by a rare campaign appearance by his wife Melania.

??

In her first speech since July’s Republican convention, the former model spoke about being an immigrant and a mother and said her husband would "make America fair".

????7??“?????”?

She also vowed, in a speech in the Philadelphia suburbs, to lead a campaign against cyber-bullying if she becomes first lady, and to combat a culture that has "gotten too mean and too rough".

??“???????????”???????

Mr Trump has gained ground on Mrs Clinton in a number of swing states, such as Florida and North Carolina, according to polls. Some national tracker polls are now suggesting the two candidates are neck-and-neck.

??

The Reuters/Ipsos States of the Nation project estimates Mrs Clinton’s odds of winning the necessary 270 Electoral College votes on Tuesday at about 90%, down from 95% last week.

????/??????????????????????????270?????????????90%??????95%?????

The momentum appears to be with Mr Trump, who has joked about having to stay on message, as the final weekend of campaigning approaches.

??

He has capitalised on a new FBI investigation into a Clinton aide’s emails.

???FBI??????????????????????????????
