

《百年新娘礼服变迁视频走红》

From Princess Diana's meringue to Kate Middleton's elegant lace number, everyone has their ideal wedding dress.

??

So it is no surprise that a video charting 100 years of bridal fashion has sparked admiration and disgust in equal measure.

??

The clip filmed by Mode.com, shows model Lolly Howie trying on an array of gowns dating from 1915 to 2015, to demonstrate just how fashion comes full circle.

On the way, there is the elegant dropped waist of the 1925 dress that could have been worn by a flapper, while the 1975 number breathes hippy chick.
