China's Xi Meets Royals, Officials on First U.K. State Visit

China sees its president's visit as a chance to showcase commercial opportunities

China's Xi Meets Royals, Officials on First U.K. State Visit

????????????????????

Chinese President Xi Jinping arrived for his first state visit to the U.K., where members of the royal family and government officials greeted him Tuesday as Britain seeks to bolster ties with the world's second-biggest economy.

????????20??

Mr. Xi and his wife, Peng Liyuan, took part in a lavish procession, riding in a horse-drawn carriage to Buckingham

Palace, where the pair had lunch with Queen Elizabeth II and her husband, Prince Philip.

??

Mr. Xi, in an address later to members of Parliament at Westminster, spoke about the "deep mutual affection" between the two countries and his belief that his visit would build relations.
