

《西方与俄罗斯：你追我打，互不信任！》

导读:西方和俄罗斯之间的互不信任由来已久。自从美国各情报部门爆料俄罗斯干涉美国大选之后，双方的关系再陷僵局。

The claim that the Kremlin sought to influence America's presidential election is only the latest chapter in a much longer story of mistrust between Russia and the West.

??

Espionage - the stealing of secrets - is a well-trodden path for both sides, but far more sensitive is the notion of subversion, trying to influence political life by sowing dissent and supporting opposition.

????—????—??

Both Russia and the West claim the other has been practising subversion for at least a century.

????????????????????????????????????

If Moscow can be proved to have run an operation with a decisive influence in the election, then it may well be regarded as the most far-reaching act of subversion ever seen.
