

《河北正定疑似食物中毒学生超300人》

导读:本周二河北正定发生大规模食物中毒事件, 超过300名学生受影响, 其中症状严重的有74人。

More than 300 school children in northern China were treated for food poisoning late Tuesday night, raising fresh concerns over the sanitary conditions of school canteens.

????????300????????????????????????????????

According to the county government of Zhengding, Hebei Province, 74 students who showed the most serious symptoms were hospitalized, but none face life-threatening danger.

????????74????????????????????????????????

The students are from 27 classes at Hongwen primary school, which has 35 classes.

????????27????????35???

Hospital diagnosis showed that the students were suffering from food poisoning.
