

《特朗普宣称中国“不是一个货币操纵国”》

导读:震惊！特朗普再次搞事情？他又发表了什么言论呢？

Donald Trump has said his administration will not label China a currency manipulator, rowing back on a campaign promise.

??? ?????????????????????????????????

The US president also left open the possibility of re-nominating Janet Yellen as the head of the Federal Reserve, despite having criticised her.

China has been accused of suppressing the yuan to make its exports more competitive with US goods.

????????????????????????????????

Before the US election, Mr Trump likened this to "raping" the US, and promised to label China a currency manipulator on his first day in office.

He also said: "I think our dollar is getting too strong, and partially that's my fault because people have confidence in me."

????“??”

He added that a strong dollar had benefits, but would ultimately hurt the US economy.

????????????????????????????????????

[It is] very, very hard to compete when you have a strong dollar and other countries are devaluing their currency.

'Respect' for Yellen

????????“?”

Mr Trump has been highly critical of Ms Yellen in the past, saying that the Fed's low interest rate policy had hurt savers.

??

He has also indicated that he would not nominate her for a second four-year term when her current one expires in

February 2018.
