"I'm now back to being an activist citizen and part of the resistance," Clinton said in her sit-down with CNN's Christiane Amanpour. At other events she has heralded the work of small organizations that have grown in

response to Trump.

?????CNN?????.?????????????“?????????????????????????”????????????????????????????

Clinton will act as the connector, said one source, bringing donors to these groups and helping raise money for them, too.

????????????????????????????????????????

Nick Merrill, Clinton’s spokesman, declined to comment for the story.

?????????.????????????

The idea of the political group started months ago, after Clinton met with young activists to talk about the resistance. At first, the meetings were an attempt to motivate and spur activism among young people.

????????????????????????????????????????????????????????????????

But Clinton soon realized she could do more, said one source.
