

## 《厉害了Word姐！深圳女子交20男友 每人送她iPhone7》

导读:都市男女找对象历来都是老大难问题，可是深圳一女子可厉害了！她同时交往了20位男友，且要求每人都给她买一部iPhone7。那么，接下来发生了什么呢？一起来看看吧！

An office clerk in China has made headlines after allegedly dating 20 men at the same time.

????????????20????????????

More incredibly, the young woman, who lives in Shenzhen, has managed to buy a house after selling the iPhone 7s her boyfriends had given her, reported People's Daily Online.

??iPhone7????????????

The woman, named Xiao Li, had demanded each of her boyfriends to buy her the newly released handset before selling them for a total of 120,000 yuan (14,500 pounds).

The shocking story was originally revealed in an online post, written by a web user with the screen name of 'Ao

Jiao De Qiao Ba', before being covered by media.

??

The web user was thought to be a colleague of Xiao Li.

????????????????????

In the post, uploaded to a Chinese forum called Tianya, 'Ao Jiao De Qiao Ba' described how a co-worker had been dating 20 men simultaneously.

The writer said in the post: 'I just knew about this news today. I was shocked.

????????????“????????????????????”

'I have spoken to her several times. She is quite nice and outgoing. She is quite efficient at workplace. I could not believe it when I heard this.'

“??”

A follow-up post by 'Ao Jiao De Qiao Ba' claimed that Xiao Li had been fired by the company after the story was revealed.
