

《全球最帅医生有脸有肉有爱心火爆网络》

Dr. Mike, a second-year medical resident from New York who's taking the internet by storm together with his husky named Roxy.

????????????????????????????(??)????

It doesn't end there. Puppies and a hot guy? We just found our new Insta-obsession. Mike describes himself on Instagram as "just a man [with] his dog against the world," but many of his fans find him incredibly hot. With Roxy by his side, it's no wonder the adorable pair has more than 213,000 followers on Instagram.

????????????????????Instagram????Instagram????????????????????(????????????????????==)"????????????????????!?!???
????????????????????Instagram??21?3000??????

Someone who is already having medical issues probably shouldn't have Dr. Mike walk into the room because he is sure to give you heart palpitations. He is dubbed the real-life McDreamy, for he's the whole package: brains and beauty.

????????????????????????????(???)??!?!??!

Check out the pictures below and tell us if you're still afraid of seeing a doctor.

????????????????????????????????????
