SSEZ's establishment was part of Deng Xiaoping's drive to open up China to the rest of the world and consolidate China's place as a major economic player on the global stage.

??

SSEZ has been oriented to develop as the National Reform Testing District, a national center for the economic development and innovation.

??

As of 2016, the GDP of SSEZ reached nearly 1.95 trillion yuan(USD 283 billion). The total exports from SSEZ, for 24 consecutive years, have topped those of cities on the Chinese mainland.
